Dear Fred:

Firestone Building Products is pleased to present Advanced Industrial Roofing, Inc. with the 2012 Firestone Master Contractor Award. Recognized in the commercial roofing industry as a highly regarded accomplishment, the Master Contractor Program annually acknowledges a select set of contractors that are committed to unsurpassed quality roofing system installation, consistently provide outstanding service and exhibit an unwavering commitment to superior craftsmanship.

2012 marks the second year Advanced Industrial Roofing, Inc. has earned the Firestone Master Contractor Award. The firm received the Master Contractor Award based on total square footage installed and Quality Points accumulated for outstanding inspection ratings on Firestone Red Shield® warranted RubberGard™ EPDM, UltraPly™ TPO, UNA-CLAD™ metal and asphalt roofing system installations completed over the past year.

As Firestone celebrates the 25th Anniversary of the Master Contractor Program, I congratulate Advanced Industrial Roofing, Inc. on these exceptional accomplishments. You consistently strive for first-rate workmanship and superior customer service, and uphold Firestone's high commercial roofing standards. We are pleased to call Advanced Industrial Roofing, Inc. a Master Contractor and look forward to continuing our strong partnership for many years to come.

Sincerely,

Tim Dunn
